BLOUSE IN SLIP-ON STYLE

For blouses, georgette, more than any other fabric, has endeared itself to women. A blouse in flesh color, made of georgette, having a small vestee is shown here. It is a slip-on style, fastening in the back and is trimmed with beads.

AT APEX OF SPRING STYLES

The return to favor of ostrich plumes, handsome feather ornaments, and masses of rich flowers, with much elaboration in millinery, places hats for matrons at the apex of spring styles. The three hats shown above include a dress hat with rich ostrich plumes, a smart street hat with a velvet bow, and semi-dress hat in black, with a wonderful feather.

Amount of money in circulation, as shown by the following table:
Money in circulation per capita:
1913 (average) \$34.65
Oct. 1, 1918 53.82
Nov. 1, 1918 55.84
Dec. 1, 1918 56.23
Jan. 1, 1919 55.76
The highest point was reached on December 1, 1918, when \$56.23 represented the per capita amount of money in circulation.
